EJCC
EDINBURGH JEWISH CULTURAL CENTRE

You are invited to help our Garden Grow

- We invite you to become an Official Honorary Gardener for the Edinburgh Jewish Cultural Centre

Through much hard work, the EJCC has rapidly grown from an idea to a reality - bringing well respected education, inspiration and hope to the Jewish community in Edinburgh and far beyond. Our many popular online programmes continue to expand and require regular investment to insure they provide the highest quality and reach as many people as possible.

Set-up a regular donation now

Please enter an amount of £5.00, £10.00, or £20.00 in the "Or specify an amount box" at Virgin Money Giving after visiting the link below

If you wish, you will be recognised on the EJCC website and receive a free packet of flower seeds. You'll also receive an official EJCC gardener's certificate to acknowledge your important investment in the future of your EJCC.

EJCC is working toward becoming a Real Living Wage employer, so that all of our speakers and performing artists are fairly compensated in the future. Your support helps support the budget for these costs and others.
